- ▶ Open WeBWorK:
  - ▶ If you're enrolled in the class, go to OnCourse, and click on WeBWorK. Log in using your Wheaton ID (using a lower case w) for both username and password.
  - ▶ If you're not yet enrolled, type in

    http://webwork.wheatoncollege.edu/webwork2/
    MATH-101-A02-201210
    and use "guest" for both username and password.
- ▶ You will see all currently assigned work listed.

- ▶ Open WeBWorK:
    - ▶ If you're enrolled in the class, go to OnCourse, and click on WeBWorK. Log in using your Wheaton ID (using a lower case w) for both username and password.
    - ▶ If you're not yet enrolled, type in

      MATH-101-A02-201210
      and use "guest" for both username and password.
- ▶ You will see all currently assigned work listed.
- ▶ If you haven't finished WeBWorK Orientation yet, work on that. If both people using a laptop have finished it, move on to WW 1. (Do not do an assessment – those should be done individually.)
- ▶ You can have more than one webwork account open at one time.
